Goat Health Classification:

- B** Entries will be restricted to those goats with current BGS CAE – Monitored status
- W** Entries will be restricted to goats from herds that are whole herd negative CAE tested within the twelve months prior to the Show. This category to include goats eligible for category B, providing a minimum 2 metre gap is provided between accommodation for the different categories.
- T** Entries will be restricted to goats that have received a negative CAE test within twelve months of the date of the Show, never having previously received a positive test. This category may include goats eligible for categories W and B, providing a 2 metre gap is provided between accommodation for the different categories.

PLEASE NOTE: Your entries will only be accepted if accompanied by a current copy of your CAE/BGS Health Certificate. If the Certificate expires before the Show a new Certificate MUST be submitted prior to the Show.
