## GENERAL INFORMATION

The Tendring Hundred Farmers' Club holds an Annual Show at Lawford near Manningtree as shown on the map on the back cover of this Schedule.

**The Judges**, named at each class heading, have consented and have been appointed to act as judges in the classes indicated. The Committee reserve the right to appoint substitutes for any who may be unavoidably prevented from attending and all entries are accepted upon that understanding.

### EQUINE INFLUENZA

Equine Influenza and Tetanus vaccinations are a compulsory requirement for all horses attending the Tendring Show. The requirement for the first 3 vaccinations is as follows: the first 2 vaccinations 21 – 92 days apart, a third booster between 150-215 days, and an annual booster vaccination within 365 days thereafter. No horse should enter competitions within 7 days of an EI vaccination. Foals should commence vaccinations at 6 months old. This Rule may be subject to change from guidance from the FEI/BEF and any changes will be notified via the Showing Council and ASAO websites. The current FEI ruling is for a six-monthly booster as opposed to annual; therefore, it is recommended that you check with shows that fall under FEI regulation before entering e.g., Windsor, Hickstead, HOYS etc.

### FOALS

In-foal mares that have already had vaccinations of primary Equine Influenza course should be vaccinated 4-6 weeks before the foal is due to be born. Foals should be vaccinated for Equine Influenza at 6 months to commence their primary course. We urge all owners to adhere to strict biosecurity protocols, at all times. Vaccinations are subject to local risk assessments by the attending veterinarians.

**PLEASE NOTE THAT NEITHER VACCINATION CERTIFICATES NOR PASSPORTS SHOULD BE SENT TO THE SHOW OFFICE PRIOR TO THE EVENT. HOWEVER, RANDOM CHECKS MAY BE CARRIED OUT ON THE SHOWGROUND DURING THE SHOW.**
